Announcement

I TAKE great pleasure in announcing my first annual sale.

While I have been in the Shorthorn business a comparatively short time, I have never regretted that I became identified with this great industry.

In developing my herd, I have made a careful selection from the choice matrons of the different herds over the country, and it is my ambition to produce cattle of the highest quality during my connection with this traffic.

The forty-six heifers and one bull that I am offering at this sale represent the best there is in Shorthorn blood, and any one of them is a splendid individual and would be a valuable addition to your herd.

E. L. Gordon

How To Get To Dundee Farms

Dundee Farms—Located 11 miles northwest of Indianapolis on the Northwestern Traction Line, Hill Stop. All cars will stop at the farm on the day of the sale.

North on Capitol avenue to Twenty-first street, west on Twenty-first to Northwestern avenue, north on Northwestern avenue to the farm.

TERMS

CASH MOST DESIRED

If time is desired you must make your wants known to the satisfaction of the owner. All stock will be loaded on cars after sale without trouble to purchaser.

GUARANTEE

While it is not usually customary to guarantee your animals of under breeding age, we expect to stand back of these cattle and guarantee as breeders all animals sold as a single lot, where they receive proper care, except cows with calves at foot and those forward in calf, which have proven themselves breeders and require no further guarantee. In case an animal fails to breed in the hands of the purchaser, it must be returned to us at buyer's expense and in as good condition as when sold. If we succeed in getting same settled in a reasonable time, we return to purchaser at his expense; if we are not successful, we will then replace with another animal of equal value. Calves sold by side of cow as a single lot are not guaranteed. Heifers should not be served for first calf by old or heavy bull. All bulls guaranteed with proper care, but should not be allowed to serve before fourteen months old, or allowed to run with herd before twenty months.

TUBERCULIN TEST

Each animal has been carefully tested, is absolutely clean, and will be sold subject to a sixty-day retest by a State or Federal Veterinarian.
